MHRA 482 5/3/51 25X1 DIA

[REDACTED] were present at a reception given by (Maj. Gen.)
Vasili P. Boyko, Russian Military Attache in Budapest, later the same
evening. A large number of Hungarian generals were present at the
reception as to be expected but [REDACTED] VI was unable to identify either 25X1 DIA
Pet er or Piro, but a very tight AVH guard was thrown about the
reception area, and plain clothes detectives patrolled the neighborhood.
(The residence, of the undersigned being immediately across the street
from the Club wherein the reception took place, was likewise" observed".)
